Reminder: This is my only Chat channel. And I do NOT send unso...

If an individual commits even one act in furtherance of a conspiracy, that individual is liable for ALL acts of the conspiracy.

Treason and crimes against humanity are punishable by death by a firing squad.

Military tribunals.

Quick trials.

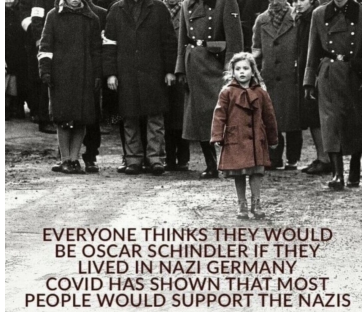

Quick executions.

Justice done.

P.S. Once identified as "Communists" if you know or care about any of these individuals, you might consider urging them to go to the nearest U.S. Marshal's Office to confess and try to make a deal. A firing squad cannot be an enjoyable experience. Just sayin.'
